One word check in

Conversation Starter:

What type of social media do you mainly use?

Digital Footprint

What do you think happens to the things people put online after 5 or 10 years?

Your digital footprint is the record of everything you do online—what you post, share, or even search for. It's important because it can affect how others see you now and in the future.

DIGITAL FOOTPRINTS

What do yours say?

BE CAREFUL ABOUT:

- What you share.
- Where you share.
- With whom you share.

BE SMART ABOUT:

- Sites you visit.
- Emails you open.
- Links you click.

BE YOURSELF
but be your best self.

Oversharing & Digital Footprints

The logo consists of three overlapping squares in white, red, and white, arranged in a triangular pattern.
