The Queensland Art Gallery | Gallery of Modern Art (QAGOMA) brings the interactive project 'The Gabori Sisters: Gathering by the Sea' to Central Highlands Regional Council Libraries from January to April 2017.

These exciting hands-on activities for children explore the important relationship the Kaiadilt people have with the sea, and will tour regional venues around the state, including stops at Cairns, Darnley Island in the Torres Strait, Mornington Island, Hope Vale, Stanthorpe and Winton.

The Kids on Tour program invites children to discover the creatures that inhabit the waters around Bentinck Island through making, drawing and multimedia activities.

Kids on Tour is offered as a free program to regional Queensland communities through the Gallery's Regional Services department.
