

Dear Parents/Carers: ***Emerald State High School***

The Child and Adolescent Oral Health Service will be offering treatment to your school in the near future. This service will be provided at the:

**Emerald Community Dental Clinic,
Hospital Road
EMERALD 4720.**

Oral Health Services provides free dental care by health professionals for children 4 years of age and children in prep to the end of grade 10.

If you feel your child requires more immediate Dental attention please call the clinic on: **0408 770 872**

Or Pam Edwards: 0417 009 270.

Please find attached consent for *examination and x-ray as well as a medical* form to be completed.

We would appreciate these to be returned to the school by **5th May2017**

If you wish further information regarding dental examinations and dental x-rays please access

To ensure that we can provide optimum service, we request that **all issued appointments are kept**. Please note that if your child fails to attend two appointments, their course of dental treatment will be closed and they will be offered further treatment when the service is next offered to their school.

Thank you

Sam Von Lossberg,
Oral Health Therapist
