**PRIMARY STUDENTS**

**SECONDARY STUDENTS**

**2000+**

Secondary School children have benefited from the resourcing towards literacy instruction

**17 SCHOOLS**  
**325 TEACHERS**

have benefited from additional support in reading and writing

**INVESTMENT TO DATE**

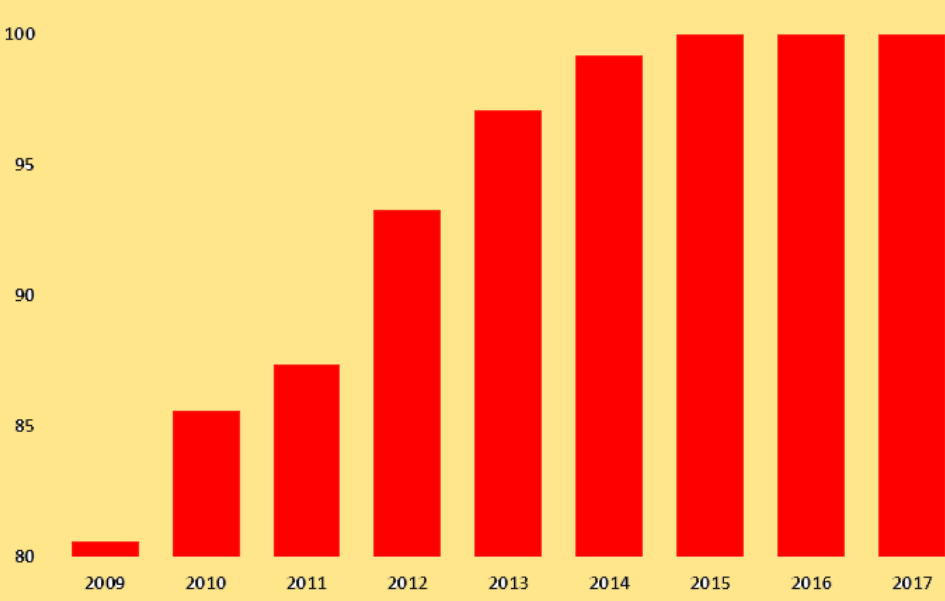

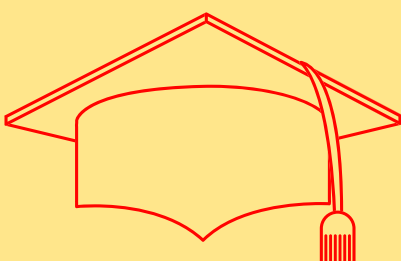

**885K**

BMA is helping schools with physical resources, professional development for teachers and access to literacy expertise

**BMA-DOE COLLABORATION**

"Working together with our local school communities to improve literacy"

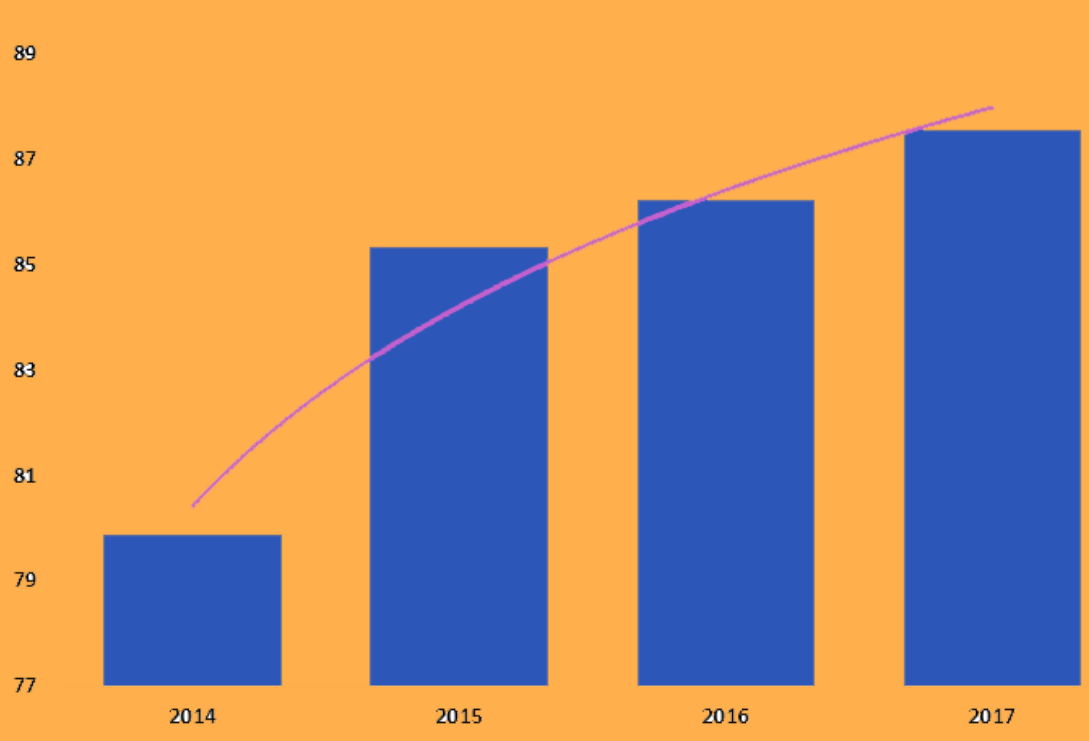

# QCE attainment

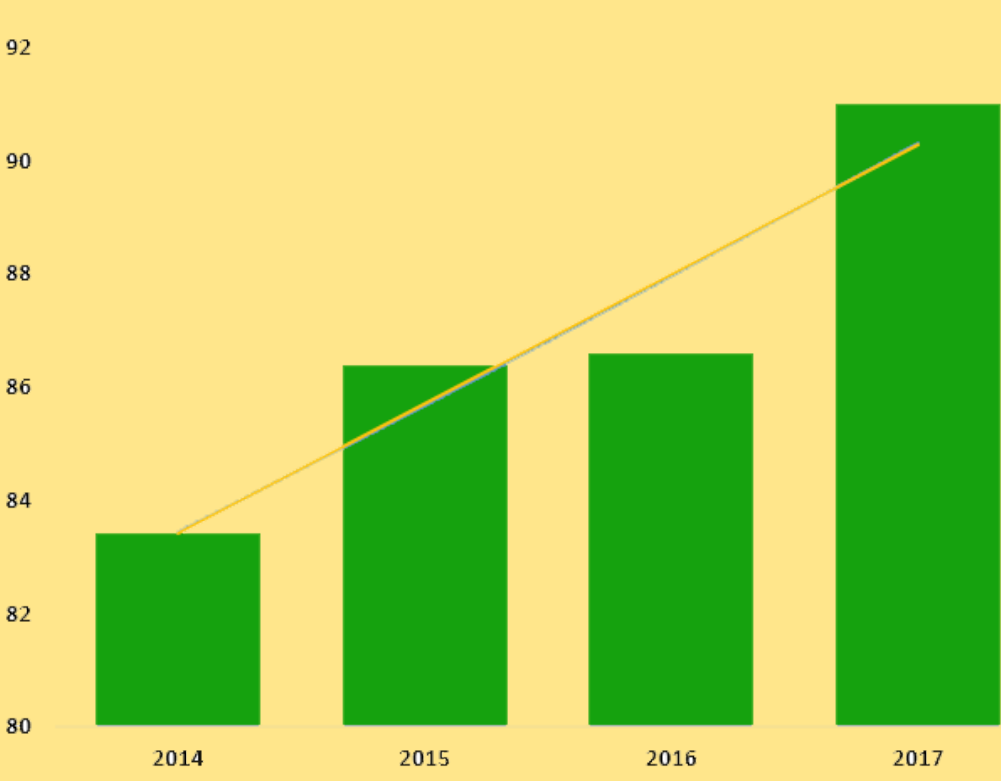

Since the BMA R.E.A.D. Collaboration began in 2015, all high schools have achieved 100% QCE attainment

Thanks to BMA's contribution to staff professional development and a variety of literacy programs, the percentage of students achieving a C or higher in English has consistently improved since the Collaboration began in 2015.

# A-C attainment

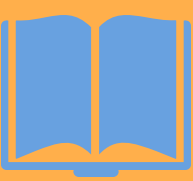

# NAPLAN NMS

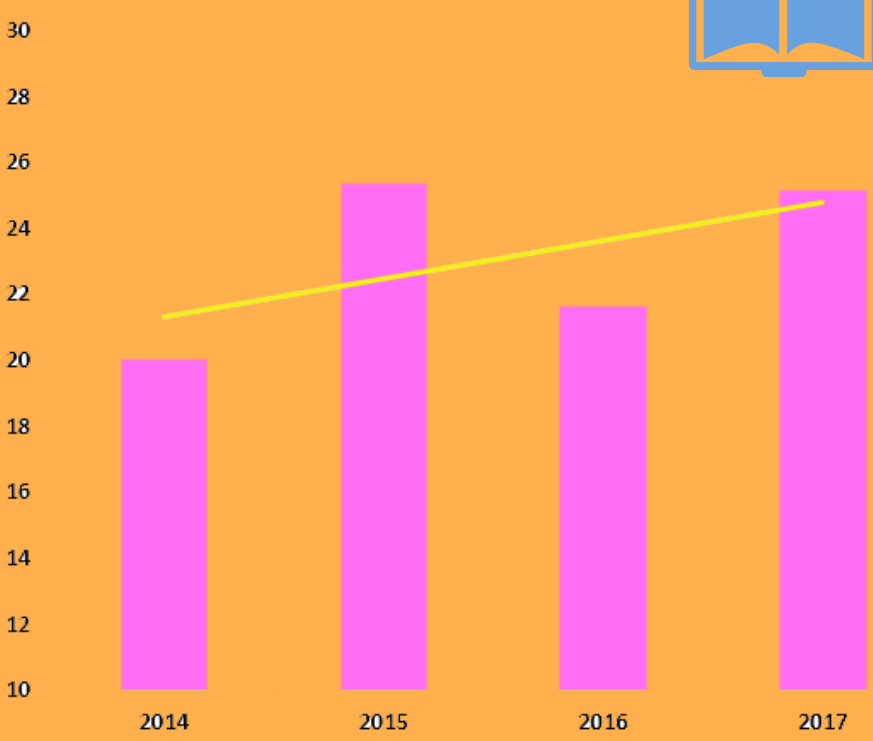

Students who achieve National Minimum Standard (NMS) have achieved the learning outcomes expected for their year level. Since 2014, the number of BMA READ students achieving NMS has increased by almost 10%

# NAPLAN U2B

Students in the Upper Two Bands (U2B) have performed in the top 20% of students nation-wide. Since 2014, our schools have had at least 20% of students in the Upper Two Bands for Reading.
