PBL LESSON PREPARED

KEEP THE SCHOOL ENVIRONMENT SAFE AND CLEAN

LEARNING INTENT: STUDENTS WILL UNDERSTAND THE IMPORTANCE OF LEAVING A ROOM/ AREA CLEAN AND SAFE

- Success Criteria:
- Identify what happens at the start and end of a lesson
- Identify why playground areas must be clean

- Vocabulary:
- safe

WHAT IS UNSAFE AND UNCLEAN ABOUT THIS CLASSROOM?

WHAT CAN WE DO EVERY LESSON TO HELP KEEP CLASSROOMS SAFE AND CLEAN?

What ideas do you have?

KEEPING THE PLAYGROUND CLEAN:

- Some playground areas are classrooms and rubbish interferes with the learning
- Putting our rubbish away keeps pests away and stops them destroying sections of our school
- It makes our school hygienic. Rubbish (especially food waste) can cause bacteria and mould to spread.
- Plastics and other waste is destroying our environment, and killing native animals.

- If there is rubbish in the area where you sit- you will be expected to pick it up. Even if it isn't yours.

Your rubbish here at Emerald State High School **CAN** make it to the sea, through the drains and water systems!

THIS IS THE AMOUNT OF RUBBISH COLLECTED BY OUR YEAR 12 STUDENTS ON A SMALL BEACH ON GREAT KEPPEL ISLAND WITHIN ABOUT 1 HOUR! ROUGHLY 600 BOTTLE CAPS, A GHOST NET FROM VIETNAM AND A TRAILER LOAD OF OTHER SINGLE-USE PLASTICS.

COME UP WITH 1 SIMPLE SOLUTION YOU CAN DO THIS WEEK TO HELP KEEP OUR SCHOOL SAFE AND CLEAN
