

Build respectful relationships

PBL focus week 3 and 4

Build respectful relationships

- LI: Students will recall the qualities of respect.
- SC: Students will be able to demonstrate the qualities of respect when interacting with school staff and peers.
- SV: Respect, safety, relationships

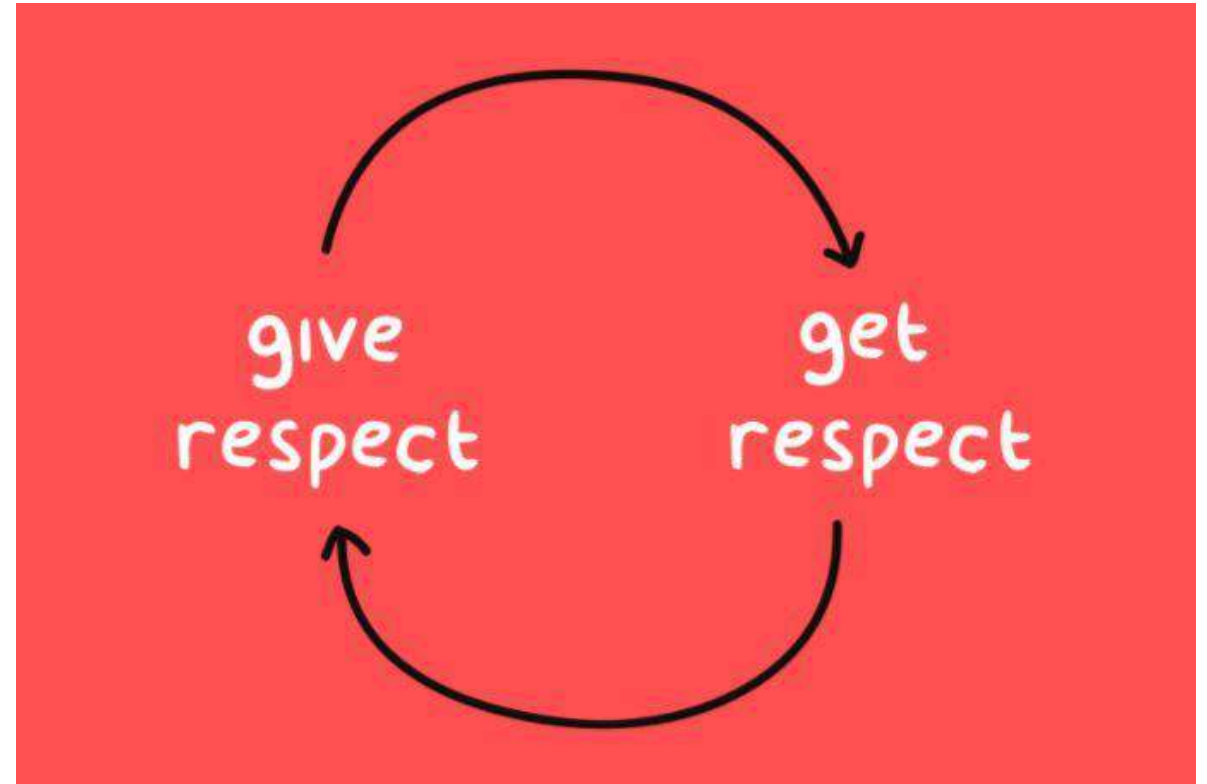

What do respectful relationships look like?

- Respectful relationships are focused on valuing people, including those that are different.
- When you respect someone it means you accept them for who they are.

Why are respectful relationships important?

- By demonstrating respect towards others it shows that we value our staff and peers.
- If we show respect to others we will be shown respect in return.

How do we show respect at ESHS?

- When we follow the 3PS in every facet of our school journey we are provided with numerous opportunities to show respect towards students, staff and school community.
