

**BE AN ACTIVE  
AND POSITIVE  
MEMBER OF THE  
COMMUNITY**

**PBL FOCUS WEEK 10, TERM 2**

# OUR PBL FOCUS FOR WEEK 10

- LI: Students will understand how to be an active and positive member of the community.
- SC: Students will be able to demonstrate the focus by being active and positive members of their community.
- SV: active, positive, member, community

# WHAT DOES THE FOCUS MEAN?

- Being an active and positive member of the community means that you participate in activities/ groups to support your local community.
- What sort of activities/ groups:
- CQ Pet Rescue
- Headspace
- Neighbourhood centre
- Community garden (at the library)
- Anglicare
- Rotary club
- Interact

# WHAT CAN YOU DO AT SCHOOL TO SUPPORT LOCAL GROUPS?

- Support the annual CQ Pet Rescue food drive

# WHY SUPPORT THESE GROUPS?

- These groups are the heartbeat of Central Queensland and rural areas
- By supporting these groups you are giving back to the community
- They provide a great experience for teens and provide networking opportunities
- They look great on your CV and employers will acknowledge your volunteering in a positive way

# HOW DO YOU SUPPORT THESE GROUPS

- Find out what groups are near where you live
- Investigate how you can offer help/ support to these organisations
- Become a positive ambassador for the school and volunteer your time
- By actively participating in local groups/organisations you are enacting change in a positive way

# REVIEW

- Being an active and positive member of the community provides opportunities to gain valuable work experience
- This experience will look great on your CV and will be favourable for future employment
- By actively participating in local community groups you are being a positive ambassador for Emerald State High School
