## THIRD PARTY CONSENT FORM

Dear Parents and Carers,

The use of web based educational resources has risen steadily over the last decade and teachers are increasingly using these resources across Queensland to improve student-learning outcomes.

Our school and teachers make decisions about the best technology to meet the needs of our students. While the Department provides most of the resourcing we use at school, sometimes a need exists that is not included. On occasions, it is beneficial for students to utilise services provided by third party web based providers.

Our school wishes to utilise the third party web based service providers listed below to aid students' learning. For your student to use this service, their teacher will need to register them as a user. Registering with this provider requires student personal information to be disclosed to the provider of the service. Registration will include disclosing the following information:

- Student's full name, address and contact phone number
- Student's date of birth and country of birth
- Student's USI number and student Department of Education email address

**We need your permission for the registration and use of these sites by your child. Please complete the consent form on the reverse of this page and return it to the school office as soon as possible.**

*Note: It is not compulsory for you to provide this consent. If you decide not to provide consent, this will not adversely affect academic achievement, or any relationships with teachers or the school.*

Before you complete this consent form it is important that you understand the reasons that this information is collected, what will be done with it, who may have access to it and where the data is stored. This information can be found in the hyperlinks in the table below referring to each website's terms and conditions and/or privacy policy.

Please read these and ensure you understand the implications of using this service before giving your consent. If you have any queries around storage of student's information, please feel free to contact the Principal. Please note that given the significance that these services provide, the school will contact you to discuss your reasons should you not consent or fail to provide a response.

**Please retain this letter for your records and return the signed consent form, this information is also available on the school's website [www.emeraldshs.eq.edu.au](http://www.emeraldshs.eq.edu.au)**

Kind regards,

Sean Maher
