- ANZAC day dawn service/ March

Encourage our parents to join the P&C

P&C STANDS FOR PARENTS & CITIZENS.

This represents the people who form our committee.
Parents of children at our school, and other citizens with an interest in the well being of the school and its students, such as teachers and grandparents.

What does the P&C do?

Fundraising

To purchase and provide additional resources to be used to enhance student learning.

Supports the School

By providing feedback on and endorsing school policies and activities.

Brings families together

By providing parents opportunities to be involved in their child's education.

ESHS BITES

DID YOU KNOW THE SCHOOL TUCKSHOP IS MANAGED BY THE P&C?

The Executive committee are also employers, who are responsible for overseeing the operation of the school Tuckshop, Uniform Room, School lockers and all the finances connected to it! This includes processing invoices for supplies and the employee wages. The ESHS Bites staff manage the day to day operations of the tuckshop with the support of parent volunteers.

**VOLUNTEERS DONT GET PAID,
NOT BECAUSE THEY'RE
WORTHLESS, BUT BECAUSE
THEY'RE PRICELESS.**

Sherry Andersen

By being an active and positive member of our community:

- Businesses will continue to support our school (currently have 150 year 10s out on work experience)
- Financial support
- Job opportunities for our young people
- School based traineeships and apprenticeships.
