

PBL
PARTICIPATE
BE IN CLASS, EVERY DAY,
EVERY LESSON

Learning intent:

Students will understand the importance of being in class, every day for every lesson.

Success criteria:

Understand that being in class every day ensures that there are no gaps in our learning

Understand how being in class every day prepares us for the workforce

WHY?

School

To ensure you are:

- Not falling behind in class
- Staying up to date with assessment
- Getting notices, so you do not miss out on extra curricular/curricular information.

Future Prep

To ensure you are:

- Holding down a job, as showing up to work each day is an expectation
- Not missing out on your pay/wage.

SCENARIO

You are not feeling well and want to stay home from school today. You are worried about missing work in class.

What do you get your parents/caregiver to do?

What should you do to ensure you don't fall behind?

SCENARIO

What should Emily do to have her absences explained?

What could Emily do to assist her in getting help in understanding concepts that she missed while absent.

What could Emily do next time for this situation.

Emily has missed 2 days of school for the past five weeks. She did not contact her teachers regarding work missed. Her absences are still unexplained and she is now getting close to assessment time. She is feeling very confused with some of the concepts for her mathematics exam.

REVIEW

By being in class, every day, every lesson, you are ensuring that you are keeping up to date with assessment, are aware of the content in class and are getting the notices for curricular and extra-curricular activities.

By being in class, every day, every lesson, you are preparing yourself for the workforce where it is an expectation to turn up for work each day.
