

PBL **PARTICIPATE**

STAY TRUE TO THE VALUE AND BELIEFS OF THE SCHOOL

YR 10 WORK EXPERIENCE FEEDBACK

Things employers loved about our students:

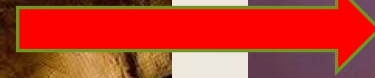

- ✓ They showed in their actions and body language they wanted to be there and learn
- ✓ Students who showed initiative (did things without having to be asked) and followed instructions promptly
- ✓ Students who were on time every day

YR 10 WORK EXPERIENCE FEEDBACK

Some things employers did not like:

- ✗ Students who were on their phone during work hours
- ✗ Students who didn't focus on the job and complete tasks
- ✗ Students who did not show positive attitudes in their language and body language

DANGERS OF MOBILE PHONES AT WORK

Distraction

Looking away from the task, even for a second, could be disastrous.

Interruption

Interrupts workflow and makes it hard to concentrate on the task in hand.

Walking Hazard

Texting & walking can result in trips and falls, or even lead to more serious injuries.

DANGERS OF MOBILE PHONES AT WORK

Driving Hazard

You must stay in full control of your vehicle at all times.

Prevents separation between work and home:-

It is important to sustain a balance between work and home. Constant connection to a phone can lead to employee bringing work problems home and home problems to work. Not having a downtime between the two can lead to burnout.
