

VET AT E.S.H.S.

Vocational
Education and
Training

Vocational education and training – providing students with the **skills for the future** in a changing world.

VET graduates

earn

16%
more an hour

than those without a
VET qualification¹

81%

of those who have
completed a VET qualification
are employed²

 Approximately
40%
of jobs in the next 10–15
years are likely to be
automated³

2 OUT OF 3
new jobs in the next
five years will be in
five industries⁴

- ESHS is a Registered Training Organisation
- Nationally recognised qualifications

VET Options at ESHS

- Certificate courses offered by the school as RTO (Registered Training Organisation)
- Certificate courses offered by outside RTO's that qualify for VETIS funding
- Certificate courses offered by outside RTO that incur a fee for service

What is VETiS funding?

- Vocational Education and Training in Schools (VETiS) is delivery of nationally recognised qualifications to school students, providing them with the skills and knowledge required for employment in specific industries.
- VETiS qualifications can be undertaken in years 10, 11 and 12 and can count towards the Queensland Certificate of Education.
- The VET investment budget provides funding for students to complete one VETiS qualification listed on the Queensland Training Subsidies List while at school.

What is Fee for Service?

- Fee for Service Training is an option when programs are not accessible via Vetis. RTO's can deliver training at a heavily discounted rate to students while enrolled in school.
- These programs are generally Certificate III level qualifications and do involve work placement.

Certificate Courses offered in 2022 by ESHS as RTO

Year 10

- Certificate II in Skills for Work and Vocational Pathways (compulsory)
- Certificate I in Work Place Skills (formally Cert I in Business)
- Certificate I in Hospitality

Year 11/12

- Certificate II in Hospitality

Courses offered by external RTO's using VETiS funding

Year 11/12

- Certificate II Salon Assistant (1 year)
- Certificate II Automotive Vocation Preparation (1 year)
- Certificate II Resources and Infrastructure Preparation (1 year)

Year 10/11/12

- Certificate III Aviation (Remote pilot - visual line of sight) (1 year)
- Certificate III Early Childhood Education and Care (2 years)

Year 11 and 12 (2 years)

- Certificate II Health Support Services
- Certificate III Fitness
- Certificate III Early Childhood Education and Care
- Certificate II Health Support Services

Please Note! (Year 10)

- If you choose to enrol in a VETiS funded course (external RTO) for next year, you will not be able to access this funding for other courses.
- This is a one time funding only.

SAT -School-based Apprenticeships and Traineeships

Students are trained in the workplace, with a training organisation while continuing to study towards their QCE.

Students are paid for time spent working with their employer and are expected to work 7.6 hours per week.

Minimum of 375 hours (50 days) per 12 month period.

The User Choice program provides a public funding contribution towards the cost of training and assessment services for eligible Queensland apprentices and trainees.

These are categorised in priority areas.

- Priority One (100% subsidised)
- Priority Two (87.5% subsidised)
- Priority Three (75% subsidised)

USI – Unique Student Identifier

- A USI is required for students to enrol in a VET course. It gives you an online record of your VET training (also carries over to tertiary studies).
- Please note all students will need a verified USI to be supplied to the school prior to commencement of year 10.
- Students will be spoken to about this process and issued with the required form.

All Year 10 students will undertake Certificate II Skills for Work and Vocational Pathways in 2022

- There is a work experience component of 20 hours minimum
- The completed Certificate II contributes to completed core and 4 credits towards students QCE
- From 2022, the course doesn't not contribute to the literacy and numeracy component of a QCE.
