

QCAA external assessment timetable 2022

About the timetable

The QCAA external assessment timetable 2022 includes the:

- timetable for external assessments for General and General (Extension) subjects, which are for the majority of students (pages 2–3)
- timetable for Senior External Examinations (SEEs), which are different from the mainstream external assessments delivered in General and General (Extension) subjects and are generally for adult learners and a small number of school students (pages 4–6).

Note: Senior External Examinations have the same name as the equivalent General subject, and end with 'SEE'. Students should ensure they are looking at the correct timetable. If you are uncertain, check with your school.

The timetable has been designed to:

- minimise clashes for students across the examination period. Where there is a clash within a morning or afternoon session, students will be allocated to the alternative session on the same day
- ensure most students sit no more than two external assessments on one day
- provide sufficient breaks between external assessments for popular courses and frequently combined courses
- enable all external assessments to be marked in time for students to receive their final Year 12 results.

Senior External Examination (SEE) timetable 2022

The Senior External Examination (SEE) is a program of individual subject examinations offered to adult learners and eligible Year 12 students.

SEEs are 100% external examination subjects and are assessed differently to the mainstream General subjects.

Students must attend all components of the examination to receive a result in a SEE subject. If a student is absent from either the written or oral component of a language examination, no result is issued. No alternative arrangements can be made if a student does not attend a scheduled written examination.
